1. Introduction:Herman is a sea turtle. He has a stripe on his shell. Some of his friends like it, some don't.
2. Herman sees a note in a bottle. He thinks it's normal pollution, but realizes it is a QUEST.
3. The QUEST is read.
4. Herman swims, meets a merman, and asks if it's Atlantis. Merman laughs

   and points south.

5. Herman meets a mermaid. She says it is Atlantis. Herman gets super

   excited.

6. Herman looks at the note, and notices the address. Swims there.
7. An old merman greets Herman and tells him a different address. They swim

   off together.

8. At 61 Shell Lane, another merman gives Herman a giant shell.
9. Herman swims and pokes his head up. A person sees him and explains why

   his shell has a black stripe.

10. The person offers to wash off the oil from Herman's shell. He gets excited

and says "Yahooo! Now some of my friends won't laugh at me!"
